

Have you got an appetite for data? Are you hungry for a challenge?

GIRA, a leader in international strategic consultancy & market research in the food industry, is seeking to recruit a

Business Analyst Intern (ref G-BA Intern/EN)

The Job

As Intern you will be a member of a small, dynamic, and multicultural team working in an excellent environment. The successful applicant will be entrusted with the following main responsibilities:

- ✔ Conducting interviews
- ✔ Analyse local data and databases
- ✔ Assist in the writing of various deliverables (minutes, summaries, reports, presentations...) using templates and under the responsibility of the project manager
- ✔ Contribute to individual and multi-client studies
- ✔ Deal with operational and technical aspects in pair with an expert consultant
- ✔ Assist with the preliminary study and opportunity analysis
- ✔ Quantifying and analysing supply chains and the way the links work together
- ✔ Identifying key accelerators and brakes for the future

You will learn a variety of skills from experienced specialist market experts within this course and will rapidly be expected to show your own analytical qualities and your abilities as a self-starter.

The Candidate

You should ideally be in your final-year of a Master's degree (or equivalent) and have a first experience in project management in the food sector. You also need to have a :

- ✔ Knowledge of the food industry
- ✔ A good understanding of the food chain, and you should have a good understanding of basic economic theory.

You must also have:

- ✔ Fluent written and spoken English
- ✔ Have at least one other European language (other than French)
- ✔ Expertise in Excel, PowerPoint, and internet research tools
- ✔ Advanced analytical, leadership, and problem-solving skills
- ✔ Exceptional organisational skills and attention to detail
- ✔ Excellent interpersonal and communication skills.

The Location

The successful candidate will be based at our head-office in Ferney-Voltaire, France.

The Contract

This intern position is available immediately and for up to 6 months. There is the possibility of an offer of full-time employment following the internship for the right candidate.

Applications

Please send your CV in English to recruitment@girafood.com. Interviews are also conducted in English.

The Company

Founded 50 years ago, GIRA operates in the areas of food & drink production, processing, packaging, and distribution throughout Europe and worldwide in sectors such as dairy, meat, bakery and foodservice. Our clients are the world's major food companies.

Our approach is both macro and micro-economic, and our force lies in the way we add value to information.

We are recognised as food industry experts in strategic market analysis, company and product positioning, qualitative and quantitative forecasting, market due diligence and in food market problem-solving. We publish several targeted, strategic multi-client reports annually.
